Strategic Location in Baltimore-Washington Common Market

A modern and advanced highway network, including Interstate 95 and the Baltimore Beltway (I-695) provides easy connections from Caton Research Center to all points in the Baltimore-Washington metropolitan area. The park is also serviced by public bus transportation. The area is surrounded by a variety of business amenities, hotels, regional shopping centers and restaurants. The park draws from a highly-educated and talented labor pool throughout the common market.
