2,760-43,800 SF

About Ashburn Crossing

Ashburn Crossing is comprised of 80 acres in the heart of Virginia's hi-tech business corridor. On completion, the park will contain nearly 800,000 sq. ft. of commercial space. The buildings will offer a unique combination of a professional office atmosphere and significant loading capabilities. Parking is available up to 4 per 1,000 sq. ft.

Ashburn Crossing is conveniently located near a variety of business amenities, shopping, entertainment and restaurants, as well as a diverse residential area featuring both mature and new communities. The park draws from a highly-educated and talented labor pool throughout Northern Virginia and benefits from the recently completed Gloucester Parkway Extension, which connect directly to Route 28.

Ashburn Crossing is just 30 miles west of DC in Loudoun County. Ashburn is corporate home to Verizon, Raytheon, Equinix, the Howard Hughes Medical Institute, and many other hi-tech corporations. Loudoun County is the nation's top earning county. Loudoun's population is the fastest growing of all counties in the United States and Ashburn is the world's largest concentration of data centers with more than 70% of the world's internet traffic.
