## **ICON BEAUTY LOUNGE PLANS GRAND OPENING AT MAGOTHY BEACH PLAZA IN PASADENA, MARYLAND ON AUGUST 29**

**BALTIMORE, MD** (August 25, 2019) – Icon Beauty Lounge, a full-service hair salon and spa serving both female and male customers, has scheduled its grand opening ceremony for Thursday, August 29. The salon is located at 25 Magothy Beach Road, situated within the Magothy Beach Plaza in Pasadena, Maryland. The 28,675 square foot neighborhood shopping center in Anne Arundel County was developed and is managed by St. John Properties, Inc.

According to owner Tina Jones, the hair salon and spa will offer a full range of hair services including cutting, coloring and styling, combined with manicures and pedicures, spa treatments and massages. Men-specific services include hair cutting and coloring, beard trimming, shaves and facials.

“The grand opening will provide the opportunity for local residents and businesspeople to network within the community, meet our staff, learn more about our service offerings, and try their hand at winning door prizes,” Jones explained. “I am familiar with Magothy Beach Plaza and chose to establish my business here because our facility is extremely visible and we have plenty of parking for our customers. I live nearby and shop here often, and always find the center busy with shoppers.”

Existing retailers at Magothy Beach Plaza include Pivot Physical Therapy, Mutiny Pirate Bar & Grille, Ledo’s Pizza and Olive & Sesame Restaurant. For additional information about the event, call 443.386.4096.
