ST. JOHN PROPERTIES, INC. PROMOTES DUSTIN LYNCH TO SENIOR PROJECT MANAGER

BALTIMORE, MD (June 25, 2020) – St. John Properties, Inc., a Baltimore-based full-service commercial real estate development and investment company, has announced the promotion of **Dustin Lynch** to Senior Project Manager in the Interior Construction division. Mr. Lynch has worked with the company since 2012 and was formerly Project Manager.

Mr. Lynch will continue in his role managing various interior construction build-out projects for clients throughout St. John Properties' portfolio in the Maryland region. This includes managing all day-to-day activities on-site, functioning as the main point of contact with third-party subcontractors, interacting with clients during the build-out process and assuming responsibility for project budgets, schedules and safety protocols. Mr. Lynch earned a Bachelor of Science in Building Construction from Virginia Tech.

“Dustin is the consummate professional and his attention to detail and emphasis on customer service consistently delivers outstanding build-out results to clients throughout our portfolio,” stated Tom Nelson, Vice President, Interior Construction for St. John Properties. “He is a true team player that works seamlessly with our vendor partners, and his quiet confidence belies a hard-working attitude that is always noticed and appreciated.”

St. John Properties, Inc., founded in 1971, owns and has developed more than 20 million square feet of Flex/R&D, Office, Retail and Warehouse space in Maryland, Colorado, Louisiana, Nevada, Pennsylvania, Virginia, Utah and Wisconsin. The company was named “2018 Developer of the Year” for the Nation by NAIOP, the Commercial Real Estate Development Association. For more information about the company, visit www.sjpi.com.
