## ST. JOHN PROPERTIES, INC. SELECTS CONOR REYNOLDS AS PROJECT MANAGER, INTERIOR CONSTRUCTION

**BALTIMORE, MD** (March 17, 2022) – **St. John Properties, Inc.**, a Baltimore-based full-service commercial real estate development and management company, has selected **Conor Reynolds** as Project Manager, Interior Construction. Reynolds brings nearly four years of business and construction management experience to this position, and formerly worked as a Project Engineer for **The Whiting-Turner Contracting Company**.

Reynolds will oversee tenant build-out activities for companies that have signed leases for new space with St. John Properties, as well as those expanding their presence in the greater Baltimore metropolitan region. His responsibilities include coordinating construction schedules with third-party contractors, maintaining approved timelines and budgets, on-site troubleshooting, and assuring an efficient build-out process.

Reynolds earned a Bachelor of Science degree in Mechanical Engineering from The Johns Hopkins University, and a Master of Science degree in Engineering Management from The Johns Hopkins Whiting School of Engineering. Reynolds also played on the university's varsity baseball team during his undergraduate years at the school.

"Conor's demonstrated problem-solving skills, combined with his experience in the construction management industry, will make him an extremely valuable contributor to our team," explained **Tom Nelson**, St. John Properties' Vice President of Interior Construction. "We are equally impressed with his strong work ethic, attention to detail and interpersonal skills, which are all important assets to effectively operate within our fast-paced environment."

Founded in 1971, St. John Properties, Inc. is one of the Mid-Atlantic's largest privately held commercial real estate firms. The company is distinguished by its commitment to customer service, achievements in green building, and top-rated workplace culture. Throughout St. John Properties' 51-year history, the company has developed more than 22 million square feet of flex/R&D, office, retail and warehouse space serving more than 2,500 clients in Maryland, Colorado, Louisiana, Nevada, Pennsylvania, Virginia, Utah, and Wisconsin.
